About us:

Established in the year **1983**, **Cargo International Packagings** is recognized amongst the renowned manufacturers and suppliers of a vast assortment of Corrugated Packaging Cartons and Corrugated Packaging Boxes.

We are backed by a sophisticated manufacturing unit, testing laboratory and a double story factory with the stretch base of 40,000 sq.ft.

Having rich industry experience and sound infrastructure, we undertake client centric operations, such as **customization, prompt deliveries, competitive rates and transparent business dealings.**

An In-line 5-Ply Automatic plant with a capacity of 1500 M.T. per month, helps us to optimize production and convert paper into carton in a very short span of time. Also, on the basis of Relationship Selling we continue to be recognized.

Our Valuable Clientele:

- Amazon.in (Since 2017)- Ecommerce
- Britannia Industries Limited (Since 1986)- Snacks & Biscuits
- GSK Consumer Healthcare Limited (Since 1993)- Horlicks Biscuits, Boost
- Pepsi Foods Pvt. Ltd. (Since 2006)- Concentrate Operations
